PROJECTS

RESEARCH

DIY Spectrometr for open science (2022–2024):
Institute of physical chemistry CAS – SOČ 2nd National round, JVK 3rd National round

Submarine (ROV) for marine research (2019–2023):
PřF Charles Uni, PřF OSU, SOČ 2nd, Little Czech Brain 2nd, JVK 2nd place

SOFTWARE

SenseTies.com – app assisting neurodivergent children using AI analysis of their behaviour
AI analysis of urine cultivation tests (2023): clinical app development within **Microsoft**
SQL database for digital archival metadata –
National Archives of the Czech Republic

ACTIVE CITIZENSHIP

Mentoring of talented students AMIGO (2025)
European Youth Parliament: conferences
• Poland – trainer (2025)
• **Spain – chairman** (2024)
• **Ireland, Azerbaijan** – delegate (2023)
• **Finland – chairman** (2023)
President of highschool student council

CERTIFIED

- C2 English – Cambridge CAE
- Medikemp of Faculty of medicine HK
- **CERN Hands on Particle Physics International Masterclasses**
- Graduate of Microsoft STC – two year selective programme
- **Microsoft Certified**
 - Azure AI Fundamentals
 - Azure Data Fundamentals
 - Azure Fundamentals
- Cisco
 - Introduction to Cybersecurity
 - Introduction to IoT

HOBBIES

- **11y playing piano, violin**
- **6y singing, dancing in Folklore group**, success at festivals: Finland, Taiwan, Serbia, Austria
- **Writer**: 1st, 2nd, 2nd, 3rd place in regional competition in prose and poetry
- **11y painting**: 3rd place Terežín Memorial (2024), Madame Humanité Prize

EDUCATION

2025 – ongoing

University of Oxford
MBiomedSci Biomedical Sciences

Master of Biomedical Science (4 year course)
Specialisation in Cell and Systems Physiology and Neuroscience

2024 – 2025

3rd Faculty of Medicine,
Charles university
General Medicine

Faculty of Information
Technology, CTU in Prague
Computer Science

Understanding of medical and technological fields. (interrupted after being accepted to Oxford)

2016 – 2024

Gymnázium Pardubice, Dašická 1083
General grammar school, 8 years

School leaving exam: 100 % Math, 100 % Czech, A Biology, A Physics, A Chemistry, A English

AWARDS

- 2025 • **Oxford Edge Hackathon**: 1st place (best team overall) with SenseTies.com
Highschooler of the year: 5th place (2024), TOP25 (2023), organiser of the 2025 round
Students' professional activities (SOČ science fair): 2nd, 2nd in national, 1st, 1st in regional round, 2x international participation
Junior Science Conference (JVK), Charles University: 2nd, 3rd place, now member of jury
General Academic Prerequisites Test, SCIO: 100th percentile Nationaly
Chemical Olympiad: 1st, 2nd, 2nd, 2nd place in regional, participant at national round
award of the Vice–Dean of Faculty of Natural sciences, Masaryk University
- 2024 • **Young talent of Pardubice region** – part of 23 selected students form entire region
Czech national programming championship: 8th place
- 2023 • **Little Czech Brain (České hlavičky)**: 2nd place in category GENUS – natural sciences
scholarship of the dean of Faculty of Nuclear Sciences and Physical Engineering, CTU
- 2022 • **Czech Rocket Challenge**: 3rd place
- all certificates available on [Linkedin](https://www.linkedin.com/in/david-theodor-nimrichtr)

EXPERIENCE

2025 –>

OxbridgeStipendium.org

Co-founder of a scholarship programme supporting talented Czechs/Slovaks
